FUNDRAISING IDEAS OF THE MONTH

MARCH

Spring into March with these great fun filled fundraising activities

Get Moving In March

Challenge yourself to do 30 minutes of exercise per day. Why not make it a spectacle and get the whole office involved or place an exercise machine in your workplace and get sponsored to do so.

Spring Clean Sale

Have a spring clean and sell any unwanted items in exchange for donations. You could even 'set up shop' in your garage or office/staff room and get others involved too. Declutter and help us at the same time!

St Patrick's Day

-17th March

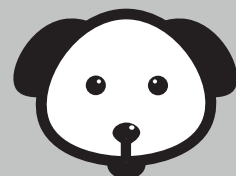

To celebrate all things Irish, why not host an all green day with colleagues or friends and ask them to make a donation to enjoy the fun.

National Puppy Day

-23rd March

Why not recognise man's best friend by playing 'Guess the owner'. Ask people to bring in pictures of their dogs when they were a puppy and pay a suggested donation to match all of the owners to their cute companion.

If you would like to speak to our fundraising team or need support please call 01634 471900 or email hello@aakss.org.uk
